Claim No.

18699

Of

John Armstrong

23rd

Regiment.

18699

On this day and date below written, personally appeared the affiant whose signature is hereto affixed and who being duly sworn according to law testified as follows:

"My age is 50 years, I reside in Baltimore, Md., at No. 17 E. Church Street.

This is to certify that I remember when the Claimant went into the war he was a sound & hearty man & when he returned home in '65 - he was suffering with rheumatism of back & theumatism & which he has ever suffered with constantly, & has really lost 1/2 his time from his work on an average during each and every year from his discharge to the present. In fact he is wholly unable to perform any hard work. I have seen him constantly & on more intimate terms than you know the above to be true.

I have no interest in this claim.
