80 / ARMSTRONG, John
Civil War Veteran

Dear Sirs:

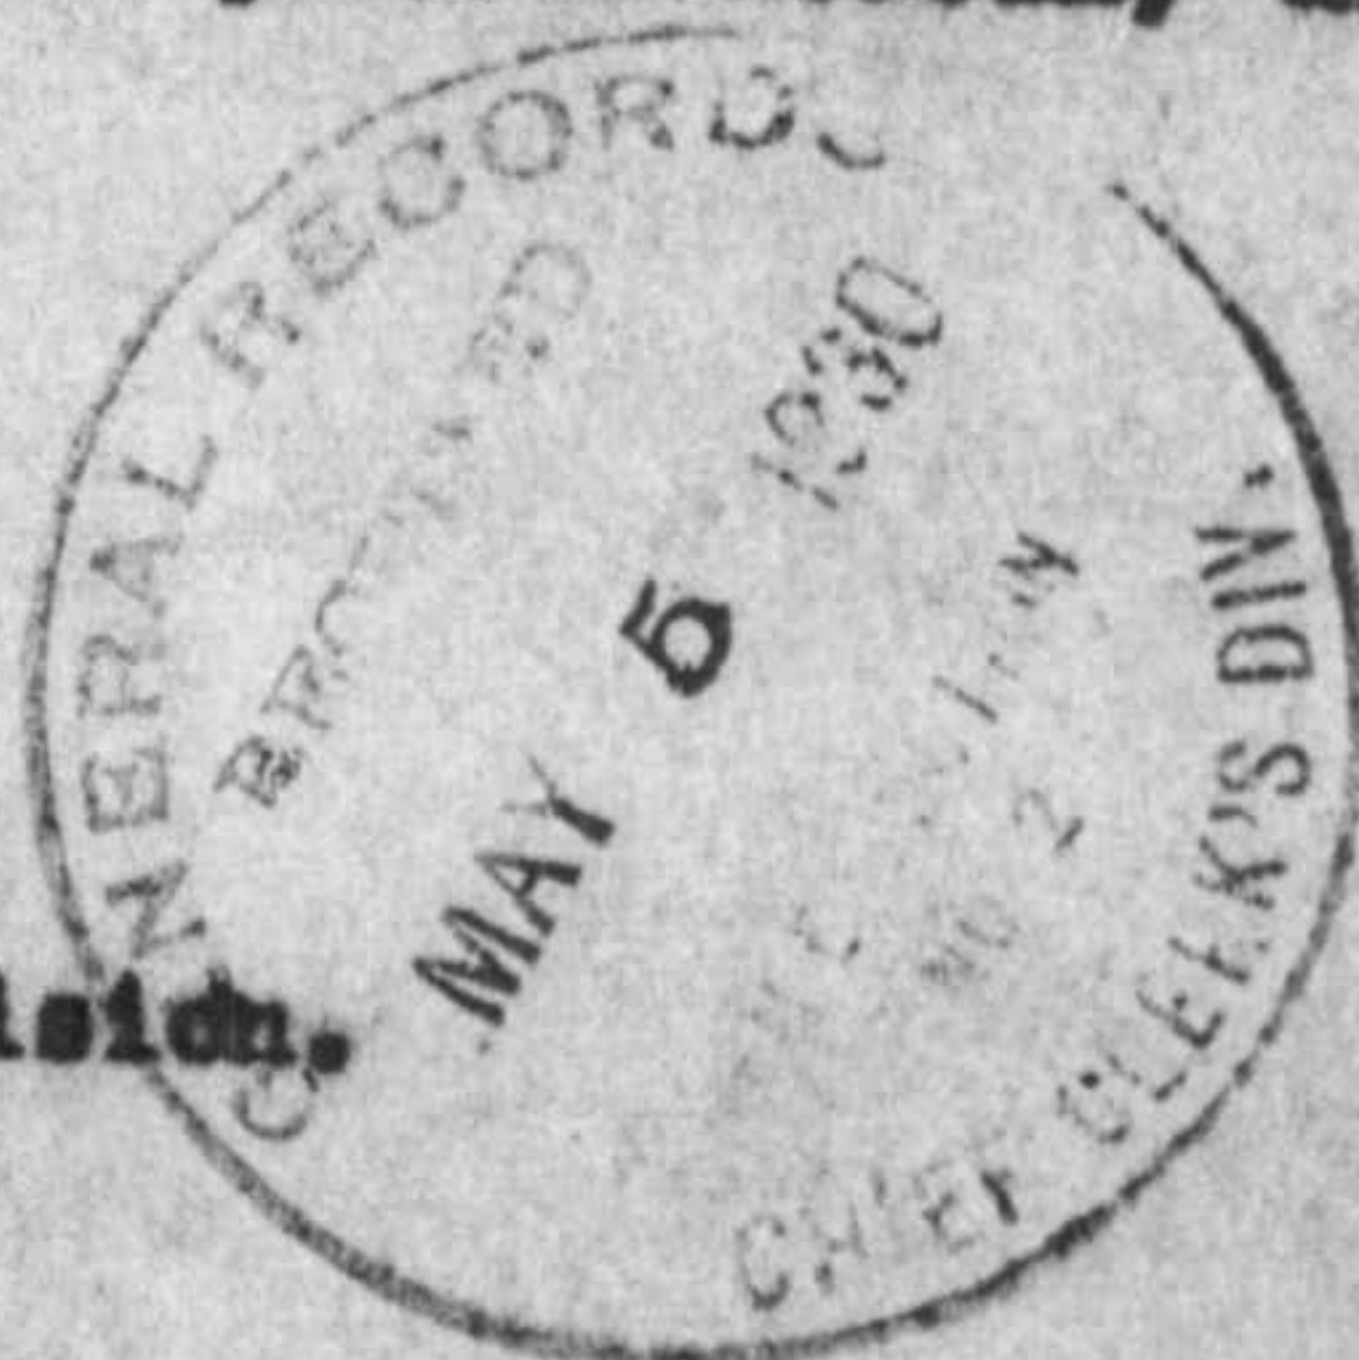

Reference is made to your claim for allowance toward burial expenses of the above named deceased Civil War Veteran.

The burial bill submitted is herewith returned for the reason that the date on which services were rendered in the funeral and burial of this veteran is given as February 10, 1930 whereas the certified copy of the public record of death on file in this case shows the veteran died February 11, 1930. It will, therefore, be necessary that the bill be corrected to show the proper date of death.

Upon receipt of this bill corrected as requested herein, the claim will receive prompt consideration.

By direction,

H. H. MILKS,
Chief, Awards Division.
