

Baltimore August 10 1898
 Dear Sir, I thought that you would
 drop me these few lines to let you
 hear from me as I have been to Mr. Tolson
 about my deceased husband's pension claim and he told
 me that every thing was all right the
 pension but I have not had a word from him since
 all the while. I need the money and I have
 to the said holder that I should have more
 Robert Barnes and I am hoping you that
 is the reason that I am writing you and that
 you will main it for me and that
 the widow of the dead should have the
 pension. Barnes is 17 S. Stockton St.
