

DEPOSITION *C*Case of *Philip Stepney*, No. 469. 523.

On this *28* day of *August*, 1890, at
Baltimore, County of *City*
 State of *Maryland*, before me, *H. W. Hall*, a
 Special Examiner of the Pension Office, personally appeared *Jacob*
R. Johnson, who, being by me first duly sworn to answer
 truly all interrogatories propounded to him during this Special Examination of aforesaid
 pension claim, deposes and says: *I am 46 years of age.*
Residence No. 403 Pearl St. this City.

I am a Detachment

I enlisted as a Private in Co. D 30th
U. S. P. Troops in March 1863, I think,
and was discharged the service at
Roanoke Island, NC, and mustered
out of the service in Baltimore Md
some time in December 1865.

First knew the claimant, Philip
Stepney, in 1864, he then joined the
Company, and served with it up
to the time we were mustered out.

Knew that he had diarrhea and
malarial fever while in service but
I cannot state when or where.

He also received a bayonet wound in
one of his legs - cannot state which one.
nor the time or circumstances under
which it was received - I did not
see him wounded - Claimant told me
about it while in service - Do not know
whether or not he was treated in hospital
for it - I did not see the wounded
leg. I am sure he told me about the
wound while in service - but it has
been so long ago I have forgotten how he
said he received it.
