If a Notary Public (or Justice of the Peace) will put his signature and seal impress (if he has one) on a sheet of paper, and a Clerk of Court will certify that they are genuine, stating when his commission was dated and when it will expire, he can execute papers to be used in ONE DEPARTMENT ONLY during his term of office without authentication by Clerk of Court. Such Certificate for each Department where many authentications are required, will save much expense. Several papers executed before one N. P. or J. P. on the same date need Co. Clerk's Certificate, on one only, if all are to be used in one case. Write an affidavit just as you would write a letter, stating all the facts, circumstances, dates and places, as near as you can remember, and if of your own personal knowledge and observation, and state how you know what you say to be true.
