Dear Sir:

Reference is made to the pension accruing from the date to which payment was last made to the date of death of the pensioner at the rate of \$38.00 a month which is not an asset of the estate and is not liable for debts but may be paid to the person who bore the expense of last sickness and burial or who is held responsible therefor provided the pensioner did not leave sufficient assets to meet such expense and is not survived by a minor child under sixteen years of age.

If, under the circumstances, it is desired to file claim for the accrued pension, the inclosed form 5036 should be executed in its entirety in accordance with instructions printed thereon.

All communications relative to this case should bear the name of the veteran and refer to the number WC 325 892.

Respectfully
