NOTES.

The Physician's Affidavit must show the following facts:

1st. A complete diagnosis of the disabilities upon which the claim for pension is based, and the period during which he treated him.

2d. That the soldier is suffering at present from a mental or physical disability of a permanent character, not the result of his own vicious habits, which incapacitates him from the performance of manual labor in such a degree as to render him unable to earn a support. The degree or extent he has been disabled since the filing of his application should be plainly stated.
