On this 4 day of February, 1922, at Baltimore county of Baltimore City, State of Maryland before me, W. H. Stovall, a Special Examiner of the Bureau of Pensions, personally appeared Estell Cook, who, being by me first duly sworn to answer truly all interrogatories propounded to her during this special examination of aforesaid claim for pension, deposes and says:

3-4121

1 I am 49 years old, am the wife of Alexander Cook, and  
2 my post office address 408 Dolphin st, Baltimore Md.  
3 I have lived in this city all of my life and have known  
4 Annie Heath since my childhood and our acquaintance  
5 started by Annie making her home with my mother Mary  
6 Tibbs in Ensor street and Annie was then a single woman  
7 and obtaining a support by her daily labor in service  
8 as a domestic for various families. I have lived in  
9 Baltimore continuously since my acquaintance with this  
10 woman began and she has been here and generally lived  
11 near our house though not all the time as she was in  
12 south Baltimore when she was the wife of Charles Daily.

13 Q. How many times has Annie Heath been married?

14 A. Only one time and that was to Jacob Heath with  
15 whom she lived in the relation of a wife until his death.  
16 And she has not married again since the death of Heath  
17 as I live within one block of her house and see her often.

18 Q. What name was Annie known to you by in your childhood?

19 A. Annie Satchell. She came from Virginia and was a  
20 right young girl at date of locating in Baltimore is what I  
21 have understood. I knew none of her family.

22 Q. Has Annie borne any other name since you became ac-  
23 quainted with her? A. Yes she was known for a time by  
24 the name of Annie Daily and it was due to her living with a  
25 man in south Baltimore named Charles Daily, he was a laborer,  
26 have seen him but had little acquaintance with him, and it  
27 strikes me that Annie had one child by him that did not live.
