

28 I knew Jacob Heath to live with no other woman. He was
 29 the father of two boys by Frederica, one boy is living,
 30 and he had no children by Harriet Jane or the last wife.
 31 Jacob Heath was divorced from no wife to my knowledge.
 32 I do not recall any wife of the name of Sadonia Mason
 33 though I have heard some talk of a woman of that name.
 34 It may be that Jacob Heath was married four times and I
 35 cant be certain of it since I have been sick so much but
 36 it strikes me now that Heath did get married to another
 37 woman after the death of sister Harriet Jane and before
 38 he was married to the wife Annie Heath. I did not attend
 39 the same church as Heath and my association with him was
 40 not so frequent after the death of the two wives who
 41 were my sisters. These wives were dead oh yes indeed sir
 42 they were dead at date of the marriage of Jacon Heath to
 43 Annie Heath. I do not know the name of Annie prior to
 44 her marriage to Mr Heath. I recollect when Jacob Heath
 45 left Kent Island to enlist in the army as two brothers
 46 of mine who lived on the same place went with him.
 47 I have no financial interest in this pension claim.
 48 I was sworn to the affidavit I signed in this case and I
 49 got the dates inserted therein from my family record.
 50 I recollect now there was a divorce between Jacob Heath
 51 and my sister Harriet Jane Heath and I had forgotten about
 52 it, the lawyer in the suit was Edward I. Clark, Heath was
 53 to pay his wife something or other, think she got his house.
 54 I do not know when Sadonia Heath died and cant explain how
 55 the date of her death came to be inserted in my affidavit.

56 Q. I am informed that Jacob Heath had still another wife?

57 A. I am pretty sure that is a mistake. I have heard
 58 the foregoing deposition read and it is correct.
