Q. Were you divorced from Annie Satchell-Dailey?

A. I was not. Was never in a divorce court in my life.

Q. I am informed that you were married to Annie Satchell and I exhort you to tell the truth in this matter. Is'nt it a fact that you went before a minister with Annie and was married to her?

A. No ~~sid~~ it is'nt a fact because we were not married. I knew none of the people of Annie Satchell and cant tell you how long she had been in Baltimore before she took up with me. She had no children previous to our cohabitation that I heard anything about. I have no financial interest in this claim for pension. I have no knowledge of the marital history of Jacob Heath. I was sworn to the affidavit I signed in this claim and since hearing it read will say that my age is not correctly stated in the affidavit and I told the party who wrote the affidavit that I had lived with ^{Annie} for nine years and that I did not get married to her.

"Annie interlined in line 44 before signing deposition. I have heard the foregoing deposition read and it is correct.
