28 No I have never known a man of the name of Charles Dailey.
 29 If Annie Satchell was married to such a man after freedom
 30 its something I know nothing about yet it is possible.
 31 Annie was in Baltimore a good bit before I met up with
 32 her and could have married during that time without me
 33 knowing it, she has had no children to my knowledge.
 34 At my discharge from the army on Fort Hill in Baltimore
 35 I settled here but went back to Accomac within three or
 36 four months on a visit and did'nt see Annie Stachell
 37 who had moved to another place in the country with her
 38 mother and it is was years later that we met here in
 39 Baltimore but I saw her frequently on up to the death of
 40 her husband Heath. I do not know whether Jacob Heath
 41 had been previously married. I have no financial interest
 42 in this claim for pension. Have heard the foregoing depo-
 43 sition read and it is correct.
