Deponent.

M. N. Kile

I am back of M. N. Kile, A. M. E. Church
and Mr. Kile frequently attending church and
of which he has had a position for some
has been a member of the church. He has
been a member of the church in Cambridge. He has
been working for a living and has been
out to service. He works for people as a
servant and makes his living in that
way.
I know about when Rosa died, but do
not know what his disease was - he was
pretty well along in years when he died - I
think 60 or 70 years.
The claimant has no property of any kind
to my knowledge, and my acquaintance with
her is such that I do not think I would
know it.
I know nothing about the date of birth
of her children.
I do not know much about the last
wife of Rosa, but she belonged to the same
body that my wife did, and they both had
because she was living with another woman.
husband; and for the same reason (cohabitation
with other women than his wife) Rosa was dropped
from our society roll.
I have understood your position and
my answers have been correctly made.
