

DEPOSITION

Case of ELIZA JACKSON, No. 1,031,133

On this day of , 191 , at

State of , before me,

a Special Examiner of the Bureau of Pensions, personally appeared ELIZA JACKSON, continued , who, being by me first duly sworn to

answer truly all interrogatories propounded to h during this special examination of aforesaid claim for pension, deposes and says:

1 I'll have known me ever since I came to Baltimore. I cannot tell

2 you who has known James Jackson as he never would talk about

3 himself and was a grumpy ugly fellow, don't know a thing as to his

4 army service or comrades. My Stanton is the attorney in this

5 claim and I have no contracts with him and made him no payments

6 as yet and do not know what he will charge for his services, he

7 tried to get me pay him twenty five dollars in the claim for one

8 half pension and I was told to let him have only ten dollars.

9 The Magistrate came to my house to swear me to the affidavits in

10 both claims, in this claim I paid him one dollar for executing

11 the affidavits. I have no contracts in this claim and been to

12 other expense in its prosecution. I have not remarried since

13 the death of the soldier. I am sick but may be able to morrow

14 to think of other witnesses. I understand the object of this

15 examination and my privileges and do not care to be present or

16 represented here or elsewhere, and waive further notice in the

17 claim. There is not a soul at Elliott City Md who knew me at

18 that place, its been so long since I lived there. I never heard

19 of the wife Rebecca though he may have lived with that Sarah

20 weeks awhile. James Jackson has no living children by any former

21 wife. Not a member of the family of my former owner Jamison is

22 alive, and his slaves are all dead except me. Your questions

23 were understood and my answers are recorded correctly in this

24 deposition which I have heard read. "Not" interlined in line 6

25 before deposition was signed.

26 ATTEST.
