

2.

Called up Mr. Johnson myself, yesterday, but he told the waiting you
 "he is out of the city" but there is
 no telling when he will return. I can
 not tell him he put in some-
 one who can attend to it.
 A whole month has elapsed but
 not a sign of any of her money.
 which you know, yourself is not
 right. Don't you kindly attend to this
 and please, (Mrs.) E. J. Foster
