MISS LILIAN HOOD, DISTRICT SECRETARY
OFFICE HOURS: 10 A. M. TO 12 M.

BALTIMORE, MD.,

April 29, 1915.

Mr. G. M. Saltzgabber,
Commissioner of Pensions,
Washington, D. C.

My dear Mr. Saltzgabber:-

On January 15th, we wrote to you in regard to
Eliza or Elizabeth Jackson, 557 W. Biddle Street, whose
husband, James E. Jackson, Company H, 19 U.S.T. Inf.,
drew a pension from the Government in his lifetime.
The number of this pension was 1031133.

At the time we wrote you we sent an affidavit
from the Health Department stating it would be impossible
to establish the death of Sarah Meeks, as no records
were kept at the Health Department prior to 1875.

Will you have this matter looked into and let
us know what your decision is in the matter and if
there is any further information which you require before
the pension can be renewed.

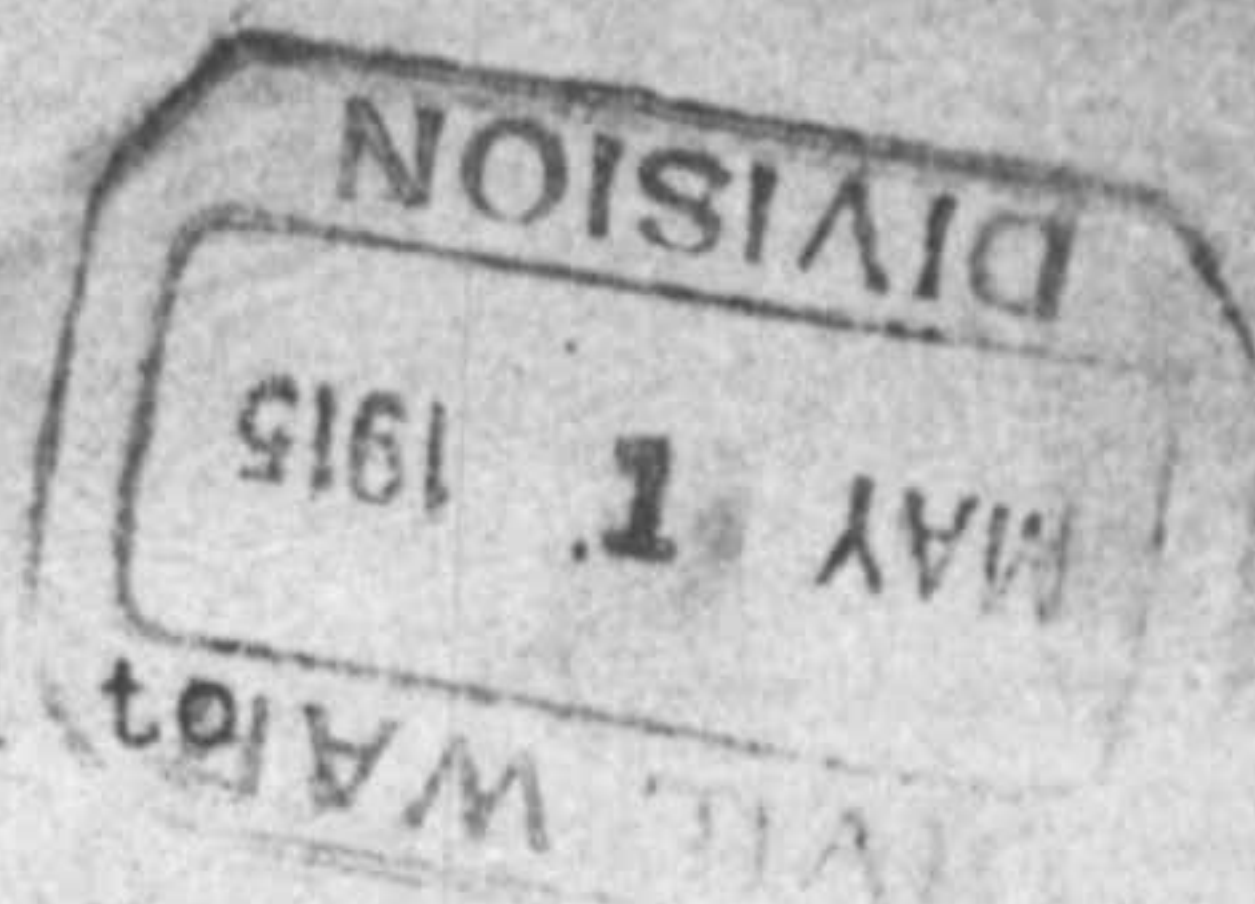

Thanking you, I am

Sincerely yours,

Lilian Hood
