DEPARTMENT OF THE INTERIOR,
Southern Division.
Inv.Ctf. 590,184, BUREAU OF PENSIONS,
James A. Jackson,
Co.H, 19 U.S.C.Vol.Inf.

WASHINGTON, D. C., March 3, 1910.

Mr. James A. Jackson,
Baltimore, Maryland.

Sir:

Your above entitled claim for increase of pension under the act of February 6, 1907, filed January 25, 1910, is rejected on the ground that the evidence does not show, and you are unable to furnish proof, that you were seventy-five years of age at date of execution of declaration, and therefore you are not entitled to a rate in excess of the \$15 per month you are now receiving under said act.

Very respectfully,

J. L. Davidson
Commissioner.
