

Benjamin Welch
Off. 248,261

Baltimore June 8th 1921
 To the Bureau of Pennington Washington
 D.C.

On the 28th of May I
 Examined Benjamin Welch at his
 home of 934 Pierce Street and en-
 closed the original order that the
 Board held when I sent my re-
 turn of the Home Examination. There
 is no record of the Board having ex-
 amined such a person.

When I sent word that Mr. Welch could
 not come before the Board I enclosed at
 the same time a Card from James Thayer
 (Certificate VIC 36025-USN.) to the same effect.
 This latter named the Board examined at
 its last meeting and thinking I wrote the
 same day informing the Bureau and Substitutes
 Benjamin Walsh name for James Thayer's
 as the two above named had been associated
 in my mind from the fact that their Cards had
 been sent together to the Bureau for the same cause.

Trusting that this was due to my
 error and that it may be satisfactory
 An very respectfully
 Bill Jackson
