Q Is it not a fact that this man Lawrence, is now
 making his home with you.

Ans No sir Ied he is not, and I would not ded to that
 if it was a lie, I tell you he has not lived with
 me since I quit him, last spring, He has been here
 two or three times since I quit him and has
 tried to have me take him in but I tell you
 as I told him after treating me the way he did
 I will have no more to do with him.

If any body told you I had taken him in again
 or had seen him in my house they are mistaken.
 I live here with a girl named Sadie Green
 and she knows that I have niter Lawrence
 or any other man about my house, to sleep or
 live.

I dont know where this man is now, I have heard
 that he has rooms at the Corner house above here,
 but I dont know ~~how~~ how true it is.

I tell you the truth when I say I have never
 lived with any man but Lawrence and that I
 was his housekeeper, but I had comestion with
 him had a baby and it died.

I have never had to do with any other
 man since the death of my hus
 band.

I did not understand that living
 with this man as I did would interfere
