Dr. G. H. Potter

Pension Office

Washington D.C.

Dear Sir

I am required by the Commission
er of Pensions to furnish your affidavit
as to treatment for Injury to wrist and
Epilepsy while in service.

The Injury to wrist I incurred while digging
a trench at Fort Magruder. 4th 1864.

The Epilepsy first effected me while at
Williamsburg 4th in camp.

If you are not able to give me such a
statement, would you kindly write me
a few lines stating that you cannot recall
the circumstances of this I can place on
file showing that I have endeavored
to obtain your certificate

Yours very truly
