General Office

January - 18 - 84

I regret that I am unable to accept this occasion as this evening,

It is so many years since I served with the 4th W.T.B. that I can seldom remember any details about any number of that - Comrades.

Please inform the Commandant that I cannot keep him & give reason why.

Very resp. ly,

Robert. Allen D.S.

Thos W. D. Jasty,

Com. of Prisoners.

- Sir - please

send me the statement of your treatment to me while too the Government Service. for epilepsy and injury of my wrist which occurred at - Williamsburg. Va. while digging the interment around Fort Mifflin. I got through from the scaffold about six feet high down with the feet and fell on my wrist which disabled me. I got crippled in 1864. and in '64 in March the two companies returned to Yorktown Va to the Regiment and when they started on
