

from Rosetta. I guess he thought it too much trouble to support her after she took sick. He did not amount to much anyhow. used to complain of rheumatism. I am not related to Rosetta or interested in her claim.

I understood your questions and my answers are correctly recorded

Robt. Howe
Jas. F. Ely

James F. Keyes
mk

Deponent.

I sworn to and subscribed before me this 12 day of Nov, 1891, and I certify that the contents were fully made known to deponent before signing.

James F. Ely

Special Examiner.
