The Commissioner of Pensions
 Washington D.C.

Sir:

I have the honor to return herewith all the papers and my report in the above entitled pension claim which was referred for special examination to determine merits of widows claim filed under act of June 27-1890.

The claimant was duly notified and fully advised of her rights and privileges during the examination - but declined to be present or represented at the taking of testimony - however her son Howard volunteered to go with me as a guide - and he was present at the taking of most of the testimony.

The claimant bears an excellent reputation for honesty and uprightness and gave her testimony in a straightforward manner.
