

P.S.

I had the records of the orphan Court examined - but found no formal report had yet been filed - however a few claims amounting to about \$50 had been filed against the estate - and Mr Sumner had about \$100 more filed with him - I therefore took his testimony.

I learned too that it had been decided to sell the place (35 acres) near the Rock. within the next 30 days.

R. P. Fox.
