

we could either of ~~them~~ find them  
I can't remember the amount I  
sent to his mother that fall & then  
but I remember I sent \$5.00 at one  
time

Q Did you give the same man any  
aid? I don't know but I suppose  
I had the receipt & have been try-  
ing to find

A I didn't see Mrs. E. Coon married  
but I know they always were con-  
sidered as man and wife up to  
the time he died

His husband had a cancer of  
the stomach

Nelson was living with his  
mother when he enlisted but I  
don't just remember who he was  
working for at the time

I can't say that I ever saw  
Nelson give any money to his  
mother before he enlisted but I  
supposed he did as he boarded  
with her at the time

I know when we were in the army  
he always spoke about sending  
money home to his mother but  
we didn't get paid off after we  
got to the front until we had  
been in the service a few months

We were at Brownsville, Texas  
when we were first paid off.

Q How many of Mrs. Coon's children  
do you remember?

A I suppose I know them all

Q Will you name them?

A Yes, right, Bernetta, Sam, Rati  
Coon, C. Doline, and Nellie Coon  
and Nelson.
