

we can't either of ~~them~~ so find them
I can't give you the amount I
sent to his mother that was of them
but I remember I sent \$5,000 at one
time

If I gave other sums in my office
diary I don't know but I suppose
I had the receipts I have been try-
ing to find

I don't see Mary E. Coon married
but I know they always were con-
sidered as man and wife up to
the time he died

Her husband had a cancer of
the stomach

Nelson was living with his
mother when he enlisted but I
don't just remember who he was
working for at the time

I can't say that I ever saw
Nelson give any money to his
mother before he enlisted but I
suppose he did as he boarded
with her at the time

I know when we were in the army
he always spoke about sending
money home to his mother but
we didn't get paid off after we
got to the front until we had
been in the service a few months

We were at Brownsville, Texas
when we were first paid off
