

Hagerstown, Md., Feb 10th 1896

This is to certify that I am well acquainted with Perry Drury. some years ago I treated him for a compound fracture of the right ankle-joint a very serious injury which laid him up until spring - this accident occurring in Oct. I think 1888. I made no charge for my treatment since and this explains my inability to give the date. This injury was the result of an accident caused by the team which he was driving taking fright at a railway train. He is a man of good habits and I have no reason to suppose that the accident was in any way due to vicious habits.

My age is 76; my post office address Hagerstown Md. This affidavit is written by myself -
