JUN 23 1916

To the Department of the Interior
Bureau of Pensions

I just ask for information.

Concerning the check of

George C. Miller that was due
him for the quarter ending on

March the 4th which was

returned back undelivered on

the account of the Death of

George C. Miller the forwarding

on March the 1st just - 8 days

ago. I have of his check and

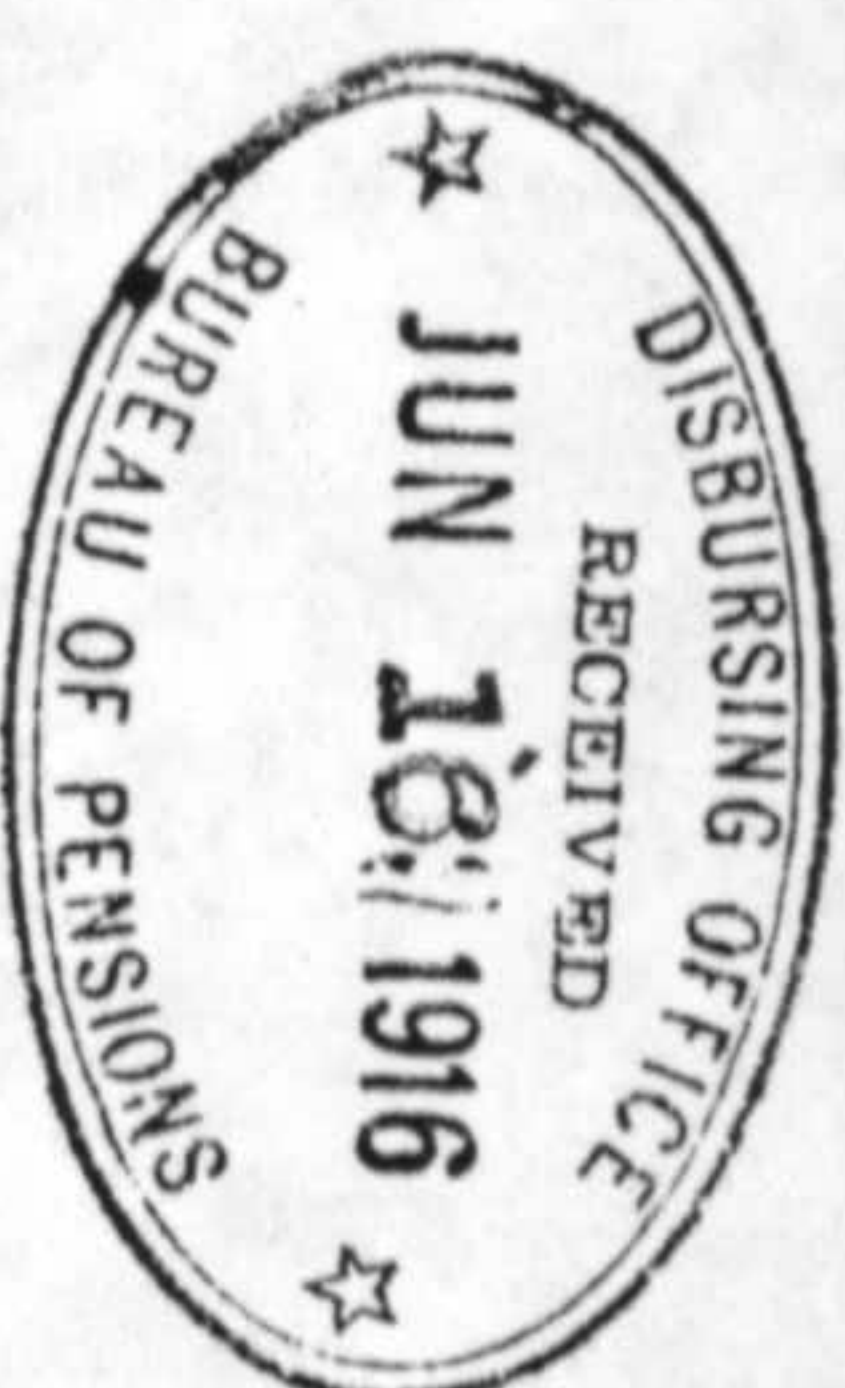

I have to Blackstone his daughter

ask for information to see if it

was return back whether I am

due to it or whether it is

included in the Pension amount

which I have received for

the Travel Expense I think

that the blank check if the

sent-check was undelivered

I did not receive the last-

check of March the 4th so I just

ask if it was returned back

and whether I am due to it

or not

Thanking you kindly for

information

Respectfully Yours
