NEIGHBORS:—Please state when (the year at least) you first became acquainted with claimant; if before his enlistment, was he sound and free from his present disability. In what year you first saw him, after his discharge; what disability then affected him and what his physical condition was. To what extent, $\frac{1}{8}$, $\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$, did his disability then prevent him doing manual labor, or interfere with his usual occupation; what was his occupation when you first knew him; and what it is now. In what respect has his disability increased with his age since his discharge; if it has been continuous, and what is now his physical and mental condition, and what capacity, $\frac{1}{8}$, $\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$, has he now for following his usual occupation. If his disease has been aggravated by intemperate or other bad habits, so state.

I have known Edward Donham before the war and know he joined the Union Army in 1863 and was discharged in 1865. He was injured in the left ankle and is not able to labor sufficient to make a living or to do manual labor.

We know these facts from having lived in the same city with him.
