

signed and swore to a paper. I don't know the Squire's name. All I went there to swear to was that I knew Durham to have been in the 7th Regt U.S.C. I don't know him to have injured his ankle in the army or anywhere else and did not intend swearing to any thing of the kind. - I think it was read over to me, but not that part about him injuring his ankle in the army. I know George Bryan but he was not with me when I swore to that affidavit for Durham. I only made the one affidavit for him, before this. My answers are correctly recorded in this deposition.
