at all. He has been a month at
a time on his back with piles
and bowel trouble not able to
do any thing. His diarritites
are chronic and incurable. That
he is not able to labor -

NOTES.

The Physician's Affidavit must show the following facts:

1st. Whether or not he knew the soldier prior to enlistment; the length of time he has known him how intimately and what opportunities he has had of observing his physical condition, whether as his family physician or as a neighbor; and how near he has lived to him. If he knew that the soldier was a sound man at enlistment, he should so state, adding, if true, that had he been unsound, he would have known it.

2d. If he treated claimant while in the service either as his regimental surgeon or while claimant was home on furlough, that fact should be stated. The claimant's physical condition at such times should be clearly shown, as well as the NATURE OF HIS DISABILITY and dates of treatment.

3d. If he has treated soldier since discharge he should so state, giving the date of his first treatment; what his physical condition was at the time, with complete diagnosis of the disability; the period during which he treated him should be stated, with dates as near as possible, of the prescriptions.

4th. The extent or degree to which claimant has been unable to perform manual labor during each year from discharge to the present time
