

I was away by the fall
 of 9 at home the winter
 & never was able to
 do service after
 that circumstance

I have been at the
 hospital at the
 Adelphi Pa where
 I remained for 3 months
 I was then sent to
 Leeds where I
 remained 2 months
 more all of which
 I think I am willing
 to bear to save
 76 years of age and
 avoid this surgery.
 Write me for labor
 if you can send me
 the thing to try. I will
 be thankful to you
 Yours
 John Decker
