I hereby certify that on this 31st. day of March, 1913, I have seen the record of the birth of Daniel Brice in their Family Bible. The Bible is a very old one, printed in 1817. He says his father had the recordes of the birth of his children put in this Bible. The record bears ^{no} mark of erasure and looks as if it might have been put in about the dates given. The date of the birth of Daniel Brice is October 16, 1845, making him 67 years old on Oct. 16, 1912. The Bible now belongs to the daughter of Daniel Brice who has had it in her possession since the death of her grandfather, William S. Brice.
