

Joe Gray just as I have you, and when I he asked me about this soldier's being injured in the service I told him that the soldier had told me he got it sprained coming from Jacksonville to Baldwin. Joe Gray did not ask me where the soldier told me this and I do not remember that I told him, but I did not mean for Joe Gray to understand that I had any personal knowledge of this soldier's being injured in service, the fact is Joseph Gray is not very particular what he inserts in the affidavits he writes.

I have comprehended your questions and my answers are correctly recorded,
Attest,
