

35 Annie E. Wilson, maiden name Moore, in this connection.
 36 I have been known by my maiden name of Agnes Mason since
 37 I separated from James Wilson and am employed in Biddle
 38 street under that name. Maria Wheeler lives at 1331
 39 27 st, N.W., Washington D.C., and Lizzie Fisher at 2815 N
 40 st, N.W., Washington. I cannot name people in Calvert
 41 county Md who knew my husband James Wilson but I have
 42 understood the whole county knew him and I dont think you
 43 will have any trouble in getting witnesses on that point.
 44 Wilson has children in the country and one is Nannie Wil-
 45 son who comes to see me occasionally and her mother was
 46 Margaret Gross of Calvert to whom Mr Wilson was never mar-
 47 ried, and I do not know the address of Nannie Wilson.
 48 I have been to no expense in the prosecution of this
 49 claim for pension as Mr Briscoe the lawyer who prepared
 50 the declaration is my lawyer in other ways and said he
 51 would make no charges in the pension claim. I have prom-
 52 ised no person a portion of any pension allowed to me.
 53 I have no attorney in this claim unless Mr Briscoe is my
 54 attorney. I understand the object of this special examina-
 55 tion and the priviles I am entitled to and do not care
 56 to be present at the examination in Baltimore or in Cal-
 57 vert county Md and elsewhere, or to be represented by an
 58 attorney, and will waive further notice of the examination.
 59 I have lived with my two children ever since the death of
 60 James Wilson. Wilson was known by no other name.
 61 I was sworn to the declaration in this case by Mr Briscoe
 62 the notary in the Fidelity Building in Baltimore.
 63 I know nothing of the issuance of a license to marry to
 64 James Wilson and Agnes Mason on May 6, 1880. That is my
 65 name but I was never married to him in Baltimore but in
 66 Washington D.C when I was about 17 years old.
 67 I have heard the foregoing deposition read and it is cor-
 68 rect.
