30 it was not long after he came back - he was not
 31 what year it was I don't know. Oh, you say from the
 32 time they were married up to the time the said John
 33 W. Quinn died said parties lived together as man &
 34 wife and were so recognized by all who knew them. The
 35 said John W. Quinn died there or four years ago. You
 36 say, I was at his funeral and I was to see him several
 37 times while he was sick, just before he died. Oh, you say,
 38 this claimant attended his funeral as his widow and she
 39 was mighty faithful to him too in his last illness. This
 40 deposition has been read to me, I have understood the
 41 questions asked and my answers thereto are correctly
 42 recorded herein.

 50 The witness lives alone in a shanty at the edge of the town,
 51 there was no one within reach who could unite and as I
 52 had only a very few minutes in which to catch a train, it
 53 was, practically, impossible to secure an attesting witness
 54 to her name.
