

DEPOSITION

Case of Lincy J. Quinn, No. 865,209

On this 5th day of January, 1912, at
Cokeburg, county of Cecil
 State of Md., before me, L. C. Walsh, a
 Special Examiner of the Bureau of Pensions, personally appeared
Josiah Neal, who, being by me first duly sworn to
 answer truly all interrogatories propounded to him during this special
 examination of aforesaid claim for pension, deposes and says:

1 I am 74 years of age, O. O. address, Q. I. D. No 1 Post Office,
 2 Cecil Co, Md. and occupation, farm laborer. I am not
 3 related to Lincoy J. Quinn, the claimant, and I have
 4 no interest in the prosecution of his claim for pension.
 5 I have lived in this County all my life and have lived
 6 right here for the past 46 years. I have lived right near
 7 the said claimant for the past 46 years and have known
 8 him intimately, well all during that period. Now, let me
 9 say, it was in 1867 that I moved over to this neighborhood
 10 and it was then I became acquainted with the said
 11 claimant. The said claimant was a married man when
 12 I moved here as a neighbor; he and his husband were
 13 then living together as man and wife here in this latter
 14 settlement. The husband's name was John W. Quinn.
 15 I became acquainted with the said John W. Quinn in
 16 1864, at Petersburg, Va. - He was then in the army, and
 17 so was I. He was in the 4th Regt, U. S. C. Col. Inf. and
 18 I was in Co. B. 19th U. S. C. Col. Inf. and both of our regiments
 19 were there at Petersburg together. I knew him well from that
 20 time on. I don't know whether he was a married man
 21 then or not; I didn't ask him if he was then married.
 22 After being with him a while in the army, I didn't see
 23 him again until I moved over here in 1867. It was in
 24 January, 1867 that I moved over here. You see, I am sure that
 25 the said John W. Quinn and this claimant were living
 26 together as man and wife when I moved over here in
 27 January 1867. Oh! yes sir, I know and please well and
 28 continuously from the time I moved over here, January 1867,
 29 to the time the said John W. Quinn died. Now I
