 Hon Gen B Raum

I have the honor to return the papers in the claim for Invalid Pension N^o 576473 of Nathaniel Hickman with my report.

This case came to me for the testimony Sergt. Clarkson, he is a colored preacher and until recently lived in Lynnhburg Va his residence in the future will be Doylestown Pa.

I believe there is merit in the case

I recommend further examination as to origin as per list at 218 Sullivan St New York for Amos Robbins Case of C. W. McKel and at 437 W Biddle St Baltimore Md for W. J. H. Gillis for continuance

Very respectfully
