H. Clay Evans

Commissioner of Pensions

This is to certify that I served in the
19th Regt U.S.C. Troops in the service of
the United States; and that I have
known Wesley Broadway for 40 Years
and he was a sound and able-bodied
man at and prior to enlistment so
far as I know, and that I am totally
disinterested in his Claim;

And firmly believe the exposure
to bad weather and sleeping on the
ground is the cause of his rheumatism.

The Dyspepsia must have been
caused by food & drinking bad
water. The above affidavit was
written by Ben N. S. Wilkins in my
presence and from my oral Statement
to him only and I was not prompted
by any recital or prepared statement.
