

30 I remember the neighborhood fact at the time of the
 31 marriage of the said Hester to John C. Bailey. Yes sir,
 32 my said son Charles was dead when the said Hester
 33 married the said John C. Bailey but he had only been
 34 dead a few months. Yes sir, I am sure of that. I first
 35 became acquainted with the said John C. Bailey pretty
 36 soon after the close of the war, [Civil] soon after he
 37 came to this town. No sir, I know nothing of him before
 38 he came to this town, and I never knew him very well
 39 after he came here. If the said John C. Bailey ever
 40 had a wife or lived with any woman before he and Hester
 41 went to living together, I did not know it. This
 42 deposition has been read to you, I have understood the
 43 questions asked and my answers thereto are correctly
 44 recorded herein.
