well known to be reputable and entitled to credit, and who, being duly sworn, declared in relation to aforesaid case, as follows:

(NOTE.—Affiants should state how they gain a knowledge of the facts to which they testify.)
I Henry Wilson have known Robert Riley the claimant since 1876 I have lived near him & have work along side of him and I know he is not able to do more than one third work which is caused from Rheumatism & piles I have seen the piles on him which laid him up for three weeks at a time, I live within three hundred yards of him and see him most every day.

I John J. Gassaway have known the claimant Robert Riley very since he came from the Army, and have lived 1/4 mile from him I have worked along side of him frequently and know that he is able to work about 1/2 of his time and what he does do must be light work all caused from Rheumatism & Piles. I have seen him in his attacks and have often recommended remedies for the piles. I see him nearly every day I have known him to be laid up with his disease for a month at a time

We further declare that we have no interest in said case and are not concerned in its prosecution.
