NOTE.—Should this be sworn to before any other officer than a CLERK OF COURT, then the proper CLERK OF COURT must add his certificate of character on the back hereof, and not on a separate slip of paper.

State of _____, County of _____, SS:

I, _____, Clerk of the County Court in and for afore-said County and State, do certify that _____, Esq., who hath signed his name to the foregoing affidavit, was at the time of so doing a _____ in and for said County and State, duly commissioned and sworn; that all his official acts are entitled to full faith and credit, and that his signature thereunto is genuine.

Witness my hand and seal of office this _____ day of _____ 189

Clerk of the _____

If a Notary Public (or Justice of the Peace) will put his signature and seal impress (if he has one) on a sheet of paper, and a Clerk of Court will certify that they are genuine, stating when his commission was dated and when it will expire, he can execute papers to be used in ONE DEPARTMENT ONLY during his term of office without authentication by Clerk of Court. Such Certificate for each Department where many authentications are required will save much expense.

Several papers executed before one Notary Public or Justice of the Peace on the same date need County Clerk's Certificate on one only if all are to be used in one case.

Write an affidavit just as you would write a letter, stating all the facts, circumstances, dates and places as near as you can remember, and if of your own personal knowledge and observation, and state how you know what you say to be true.
