Mrs. Maggie McGill
762 W. Saratoga Street
Baltimore, Maryland

Dear Madam:

Receipt is acknowledged of the evidence recently submitted in support of your claim for the accrued pension of Jane Hensell.

Since the bill of Mrs. Katie R. Williams appears to be unpaid, you should have her sign the enclosed form 5920.

The name in the statement submitted by you to the effect that your name is spelled "McGill" is not in the same handwriting as that appearing in the signature on the form 5096, your application for the accrued pension.

It is requested that you inform this office whether you personally signed the application for the accrued pension. If you did not sign your name, you should execute the enclosed form 5096 on pages 1 and 2. If you signed the first form now on file in this office, the enclosed form need not be completed. Please inform this office in a statement signed by yourself, the correct spelling of your last name.

All future communications relative to this case should bear the veteran's name and refer to the number MC-669,191.

Respectfully,

E. L. BAILEY
