INSTRUCTIONS—Read Carefully.—Under the order of the Commissioner of Pensions number 229 in the preparation of testimony in support of claim in pension cases, all statements affecting the particular case and not merely formal, must be written or prepared to be type-written in the presence of the witness, and from his oral declarations then made to the person who then reduces the testimony to writing or then prepares the same to be type-written. And such testimony must embody a statement by the witness that such testimony was all written or prepared for type-writing (as the case may be) in his presence, and only from his oral statements then made; stating also the time, place, and person, when, where and to whom he made such oral statements, and that in making the same he did not use, and was not aided or prompted by any written or printed statement or recital, prepared or dictated by any other person; and not attached as an exhibit to his testimony.
