Called up Mr. Johnson myself, yesterday, but he told the waiting you
 "he is out of the city" but there is
 no telling when he will return. Can
 not tell this person he put in some-
 one who can attend to it.
 A white man has disappeared but
 not long having any of her money.
 which you know, yourself is not
 right. Don't you kindly attend to this
 and arrange, (Mrs.) E. J. Foster
