Mary J. Ford,

557 West Biddle street,

Baltimore, Md.

Madam:

Acknowledging the receipt of your complaint, made to Special Examiner W. H. Stovall, relative to the above-named pensioner, you are advised that if the pensioner objects to the continuance of Edward Toulson as her trustee it will be necessary for her to take the matter up with the judge of the Circuit Court of Baltimore City, Md., by whose authority said Toulson was appointed trustee for her.

This bureau has no jurisdiction in the matter of appointment and removal of trustees of pensioners who have been adjudged incompetent by a court of competent jurisdiction.

Respectfully,

AKM/jem.

Acting Commissioner.
