

Induction PA. and was returned
to the Census Department.

Would like to know if
there is anything due toward
if so would it come to
one, lessor and sole
surviving relative. There is
some thing still due the
undertaker for funeral expenses
and if this back pension
is due to the heirs I would
like to pay of the remaining
bills. Kindly let me know
what can be done.

Respectfully

Mrs. Annie E. Jackson
