Thanking you in advance for your prompt attention to this matter, I am

pension.

I am trying to get a widow's pension for Rebecca Welch, who is the widow of Benjamin Welch, a veteran of the Civil War, and who was a Private in Company D, Nineteenth Regiment, Colored Troops of Maryland. I have all the necessary information for the "Declaration for Widow's Pension except when Benjamin Welch was discharged. Benjamin Welch has been getting this pension but he died about two months ago. Rebecca Welch is an old woman of seventy-three, in poor health and greatly in need of this
