

DEPOSITION

A

Case of Wester A Bowman, No. 358,469

On this 2nd day of May, 1899, at Shepherdstown, County of Jefferson State of WVa, before me, W E Clapp, a Special Examiner of the Pension Office, personally appeared Wester A Bowman Cour, who, being by me first duly sworn to answer truly all interrogatories propounded to her during this Special Examination of aforesaid pension claim, deposes and says:

Was your son?

A There is no person here who can swear that I was the mother of George W Hearre's Det Henry Turner and John Bowley, both of whom reside in this town. They can testify that George came here on visits to see me and called me mother. You see both Mr and Mrs Williams of Clark Co Va where I lived when George was born, are dead and their children I do not think would remember as they were young and I have been away from there so many years. As I said George's father is dead

2 Who can testify as to your son's physical condition from the time he came home from the army until his death.
