State of *Ind*, before me, *W. H. Hill*, a

special examiner of the Bureau of Pensions, personally appeared

Hester A Bowman, who, being by me first duly sworn to

answer truly all interrogatories propounded to him during this special

examination of aforesaid claim for pension, deposes and says: That his

Harris' brother. Dan is dead.

I never made a statement in this case.

Yes, I have been to Mr. A. P. Lloyd's office

several times for different people, but was never

there on this case that I know of - in fact I

know I never made any statement in this

case. No, I never knew Frank Newton

in Lloyd's office.

I have heard you read the statement

alleged to have been made by me Apr 20/95:

There is not a word of truth in it - I never

said any such thing - have told you the truth

today.

I have been correctly reported.
