

I have heard that over and over from his step sisters, Sallie and Kate Lowrie, the step sisters are still living. Sallie lives in Morris's Alley near Tinsie et. Kate lives there also in the same house. I do not know the date of his marriage to Olivia, how long they lived together or the date of her death - cannot tell how long she has been dead - maybe 20 years.

It is said that Martha had two children. Martha is dead - cannot say whether the children are living.

Hester A Harris, married a preacher by the name of Bowman, and they lived near me in Morris's Alley. The marriage was before the war sometime. George Harris was an illegitimate child, but John Lowrie always claimed that he was father of the boy. I cannot tell the date of Mrs Harris marriage to Bowman, nor the date of his death. They lived together until he died I believe - they went to West Va., but I cannot tell when.

Yes, the name of the woman the soldier lived with after the death of Olivia was Martha Booker. I do not know that he was married to her - they tell me he was not. She claimed they were married. I think Dear Lowry used to stay with her before George Harris had her. She and George Harris were living together when Harris died. I do not know where her children live.

Since you ask me I will say that George Harris had a son who is now living - his mother was Clara Larcie (?) though he never lived with her as his wife. That boy's name is Harry Larcie & he is a police officer at Atlantic City, they say. I have been correctly reported.
